**Casi todo lo que  
compras lo tiras**

**Casi todo lo que  
compras lo tiras**

**If images are useless...**

**Could we create spaces?**

**Could we create experiences?**

**Creating prototypes for possible  
ways of live, design and build**

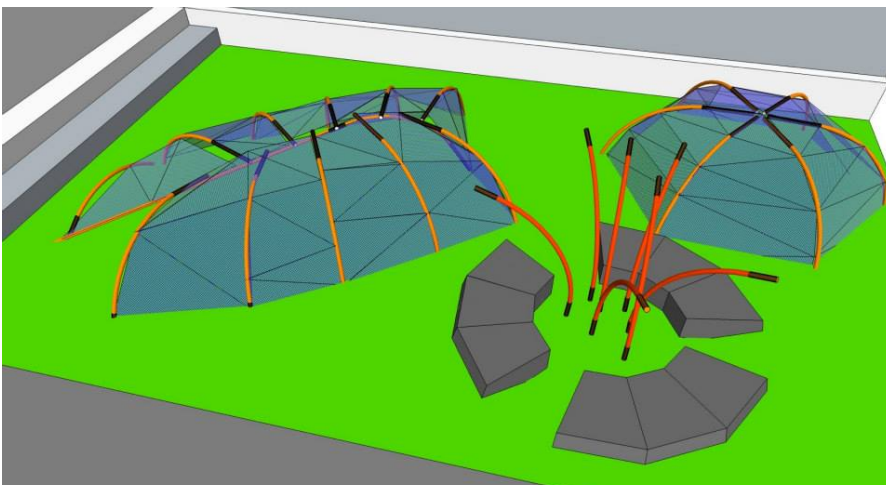

**Promoting inventions and techniques  
that allow to creatively reuse**

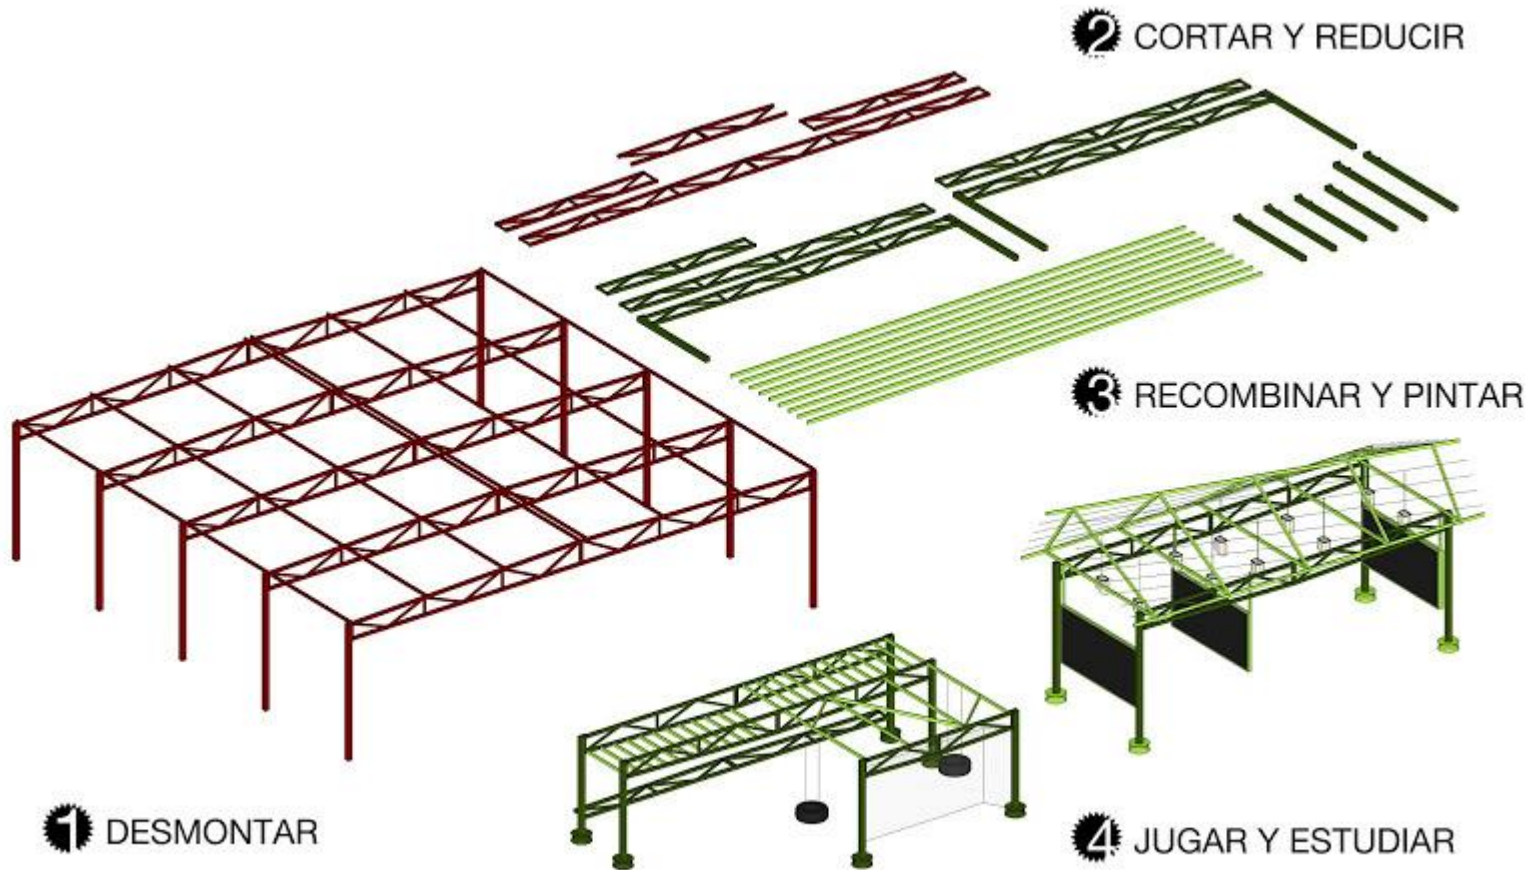

**Reusing waste allows to  
expand imagination,  
collective design and building,  
caretaking  
and infinite possibilities of reuse again**
